Summer English Language Program

HAMILTON  CANADA

McMaster University
CANADA is a country with a rich and diverse culture.
People from around the world comprise the cultural mosaic that makes
Canada unique in the world. It is a safe and friendly society with a
population of 35 million people. It is the world’s second largest
country by land mass and its geography spans many beautiful
landscapes and contains numerous natural wonders.
Canada’s cities boast historical architecture and
world-class arts and recreation facilities.

HAMILTON is in the heart of Southern Ontario,
which is Canada’s most populous region with over 12 million people
(that’s a third of Canada’s total population). With over 758,100 residents,
Hamilton is the ninth largest city in Canada and is less than an hour’s drive
from downtown Toronto, Niagara Falls and the United States border.
Hamilton encompasses 7,000 acres of beautiful parkland including the world
famous Royal Botanical Gardens, which sits alongside McMaster University’s
campus, and features over 2,400 acres of gardens, plant collections and
nature trails.
I benefited from every class of McMaster University’s Summer ESL Program: the morning lecture, the afternoon tutorial and the evening conversation practice. I learned everything from English grammar to practical English speaking skills. I enjoyed outdoor activities on weekends and weeknights, such as visiting Niagara Falls, attending Major League Baseball games and hiking around many of the beautiful local parks and trails. Through all of these experiences, I think my English ability has improved a lot in a very short time. I am sure you will enjoy this program.

Takuya Tamura, MEIJI UNIVERSITY, JAPAN
Meals
A meal card is included in tuition fees, which entitles students to purchase food from various cafeteria locations on campus and off campus. Students can choose from a variety of Canadian, Chinese, Japanese, Italian and vegetarian cuisine. There are also numerous grocery stores within walking distance of campus where students can purchase a wide variety of groceries.

Facilities
Students attending the Summer ESL Program will be given a MacID to have full access to library and computer facilities on campus. Access can be arranged for the McMaster Athletics and Recreation Centre, one of the largest university fitness centers in Canada with complete exercise and sports facilities.

Accommodation
While on campus, students reside in one of our secure residence halls. All rooms are fully furnished and include bed linens, pillows and towels. Internet access (Wi-Fi and LAN) is provided for each room. Showers and washrooms are conveniently located within or adjacent to residence rooms. There is also access to self-serve laundry facilities. Campus security is onsite 24 hours a day.
English Classes

Our intensive summer English language programs are designed to give high quality English language courses and give students an opportunity to experience Canada’s culture firsthand. Classes are conducted in small groups and taught at an appropriate level for each group from beginner to advanced.

We provide 30 hours of English instruction each week with qualified ESL Instructors and Teaching Assistants. Lessons will cover all skill areas: reading, writing, speaking and listening skills. Language skills are applied to practical uses such as academic composition, application letters, presentations, interviews and everyday conversation.

30 hours a week of instructional time.

Tutorials and Talent Show

In addition to ESL classroom instruction, students will learn and apply English through tutorials and outdoor afternoon activities, that are educational and fun. These activities include in-class review and practice, but also involve a range of extracurricular activities such as team building, shopping trips, visits to movie theatres and parks. Application of language skills is accentuated in all activities, with an emphasis on usage in real-life situations.
ACTIVITIES

Weekend Trips
We allow students to relax and enjoy Canada’s culture and geography with trips to Canada’s most popular destinations including Toronto’s Centre Island, Canada’s Wonderland, the Rogers Centre (to see Major League Baseball), the Royal Ontario Museum, and North America’s tallest freestanding structure, the CN Tower - and an unforgettable boat ride to the base of Niagara Falls!

Eastern Canada Trip
On an optional three-day trip to Kingston, Ottawa, Montreal and Quebec City, students will get to see many of Canada’s most beautiful architectural sites and will also experience important aspects of Canadian history and culture. From Parliament Hill to Quebec City’s shops, the Eastern Canada Trip is one of our program’s highlights that our students look forward to every year.

“I had a spectacular time at McMaster. This school provides a unique education experience and the ESL program not only helped me improve my oral English, but also gave me an opportunity to show my strong points and ability. I sincerely appreciate McMaster and feel grateful for the fantastic memories my time at McMaster gave me.”
